Re: Q LINK WIRELESS LLC – QLW-T-13-01
Response to Comments filed by the Idaho Telecom Alliance

Dear Ms. Jewell:

Q LINK WIRELESS LLC (“Q LINK” or the “Company”) submits this response to the Comments regarding Application of Q Link Wireless LLC for Designation as an Eligible Telecommunications Carrier filed by the Idaho Telecom Alliance’s (“ITA”).

ITA has expressed concern regarding the Emergency Communications Fee and the Idaho Telephone Service Assistance Fund (“ITSAP”) fees. ITA states that Q LINK has not committed to paying into either fund. However, the Staff of the Idaho Public Utilities Commission (“Commission Staff”) issued its First Production Request to Q LINK on October 15, 2013 wherein Commission Staff in Request No. 2 noted that all wireless carriers are required to remit fees associated with the ITSAP and E911/911 and specifically requested the Company to confirm that it understands and will comply with the remittance of ITSAP, E-911 and other applicable fees.

Q LINK filed its Responses to the First Production Request of the Commission Staff on October 28, 2013 wherein the Company committed to the remittance of all fees applicable to it as a wireless Eligible Telecommunications Carrier, including, but not limited to ITSAP and E-911 fees. Nevertheless, to assuage ITA’s concerns, Q LINK again commits to remit all fees applicable to the Company as a wireless Eligible Telecommunications Carrier, including, but not limited to ITSAP and E-911 fees. Please see Attachment 1 for the Certification and Affidavit of Issa Asad, Chief Executive Officer of Q LINK.

Accordingly, Q LINK respectfully requests that the Commission grant the Company’s Application for Designation as an Eligible Telecommunications Carrier.
